**Our most coveted trophy. Golf's unofficial 5th major played over 2 days every June Long Weekend. It is a Group 1 event.*

DUAL CHAMPIONS ARE ONTREND & THE GENERAL!!!

For only the second time in BTB history, we had dual winners after our Happy Gilmore Adelaide 'Malls Balls' tour. #78 ONTREND WES & #82 GENERAL BUCKLEYS were both first time winners of the coveted unofficial 5th major, the Mum's Bum Cup. The duo now etched into the annals of BTB time, forever sharing the triumph of a terrific weekend of golf in Adelaide.

After round one, the overnight leader was #98 Wyn Daniel Son, posting an incredible score that had the golf handicappers run for the hills. Not quite able to capitalise, Daniel would finish T6 overall.

General Buckleys shot a 54 to start his quest, while Ontrend Wes sat 3 back on 57. As play unfolded for the top 16 on Sunday, General Buckleys was a shambles with the late-night finish/early golf start. He composed himself for a 61 net, though. Wes on the other hand remained as consistent as ever with a 58. As the scores rolled in, #58 Nicaby Rising looked a huge chance at large odds, but his 119 was found a little wanting, with Ontrend & the General posting 115. Super effort Wes & Greg... you are now officially Mum's Bum Cup golf champions, your names tapestried in time on the coveted green jacket! The bookies loved the result as well with little support for either of these now legends.

WRANGLERS GO BACK-TO-BACK!

BTB18 saw the Wranglers become back-to-back champions and take home their second Try Harder Cup (THC) Premiership in just 3 years since entering the Be The Ball Tour!

If we are talking winning percentages, they currently sit at 66% and are the winningest team of all time (in a very small sample it must be said) – but of course that sort of arrogance, along with their temerity in wearing specially made t-shirts (image below) to the Champions Table closing ceremony on the Sunday night, has painted massive targets on their backs going into BTB19.

It's all in good fun of course, but there is still a competitive fire burning in most of us, so there are plenty hoping the Wrangler Ranch is in flames come this time next year. Or can the Wranglers three-peat? Interest will be high once again in the new season coming.

Sideshow Sam has done a terrific job as captain of the Wranglers. After taking home the wooden spoon in their first season, he has led the boys back to not only be competitive, but also win the whole shebang, Twice. Phoenix from the ashes stuff.

The bottom line in BTB18 was that the Wranglers were allowed to get out to too big a lead, too early. Whilst they struggled in the Mum's Bum Cup – with only Sideshow Sam (16th) and Craig's Carnival (11th) – making the cut, those points were enough to steer them home safely. They had done all the damage to their competitors earlier in the BTB18 year.

The Wranglers excelled in the BBBs pillar trophy (Watertank Matt – 1st). Daily Ms (Watertank Matt, Craig's Carnival, Smittywyn & Gold Digger Gavaby all in the top 5). Tattoo Trophy (Watertank Matt the champion). Every player was competitive across every comp and in the end, they were crowned champions, comfortably.

Yet all kudos and congratulations go to the mighty Wranglers and they are the team to beat once again in BTB19. Well played!

BTB18 MVP

#1 CRAIG'S CARNIVAL

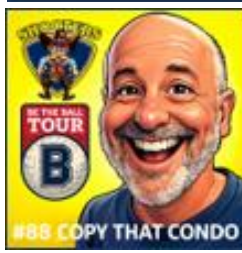

It took all the way to the Mum's Bum Cup, but #1 Craig's Carnival was somewhat of a surprise winner of this year's MVP.

The MVP event collates finishing positions & points across every contest & tournament throughout a BTB season. This includes all major pillar events and Tattoo Trophy contests.

It has been a bit of a trend the past few seasons for someone to emerge late, with the Mum's Bum Cup pillar trophy event worth triple points.

The few players above Carnival had relatively poor golf results. As a result, Carnival making the cut and his Big Marn of the Year triumph, gave him enough points to win the MVP event for the first time ever. He had finished close a few times before, but his Stephen Bradbury like effort here was the surprising way he finally succeeded!

The Wranglers overall had a great season in both the MVP & Club Champion results, as you'd expect. Well done to all.

BTB16 MVP

#1 CRAIG'S CARNIVAL

Was successful in taking out the Club Champion award for BTB18 – the first time he has done so in 18 years of trying. It certainly was a season of firsts for this foundation tourist.

Judged over the Group 1 Pillar Trophies (MBC, BBBs, POTy & BMOY) plus the Group 2 events of Dally M, Stable Wars, NRL Tipping and others, he garnered just enough points to hold out #88 Copy That Condo, who had a great season.

Carnival's efforts in the BBBs, Stable Wars and BMOY helped out enormously. His punting was average but not nearly as bad as some! A top 16 finish in the MBC also took out a few contenders who didn't make the cut for the golf.

Condo was pretty good across everything, and in his first time role as a Shooters Marquee, would be pretty happy with how it all went. He certainly showed that he will be a force for years to come.

Second year starter Dookshro Daniel also had a massive season. Elevated to Marquee for the Cattledogs after just one season, he showed he belonged there with a super season right across the board. He is primed for an even larger tilt in BTB19.

The King browns had a lean year as a team but individually performed admirably as their results show. They had 3 players inside the top 6, with evergreen tour legend Mustard Keen Matt once again in the middle of everything comps wise.

Skipper Saving Private carried on from his victory in this event two years ago. He has been in good form for sure in recent times.

Frogman Grant showed he is a player on the rise. He won the POTY & is getting the hang of all things BTB. Be good to watch his progress through BTB19.

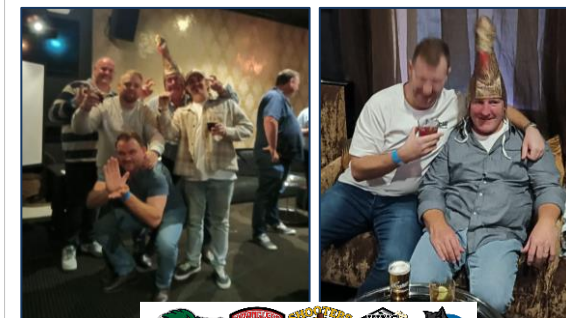

Teams wise it was fairly even across the board. The Crocs had a down year as a group. The most winning skipper in BTB history – Mickaby McKenna – will no doubt do what needs to be done to get his chargers cranking and back up the top of the table.

WATERTANK SPANK!

BTB18 saw #95 Watertank Matt in his third season of the BTB, and he has wasted no time in announcing he is a tipster to fear in future.

Taking the lead around the Week33 mark, he and Lonhro Leba in particular had an almighty tussle over the course of the journey. He is our worthy champion BBB man for the BTB18 season. Too good!

Mustard Keen Matt – for 15 years one of the best & brightest across the comps – kept hammering away & managed to leapfrog Leba in the final weeks, behind closed doors went scoring went dark through May. Great battle.

The rest of the Top 8 did a superb job just to make the last cut, and almost all went wide in an attempt to run down Matt.

Manscaper Nads had a huge final week, nailing a 50-1 pop at double points, but alas, he was too far behind the pace at that stage. He was our last Monthly medal winner for the season though. Nice.

Teams wise, the Wranglers were strongest overall. The Crocs had a year to forget tipping, while the Cattedogs began slow, home hard!

WATERTANK DROPS IN TIME!

Going into the darkness of Magic May, Craig's Carnival lead, but he had missed the cut for the BBBs, which made him a sitting duck up top. Watertank Matt slowly but surely charged to the lead picking up 6 points to go with his BBB triumph and grab the Group 2 DallyM to go with the Group 1 BBB win.

FROGMAN LEAPS TO WIN!

Back on the tour after a one-year hiatus not too long ago, Frogman Grant has been in fine form across most of the season long contests.

None better were found in the BTB18 Punter of the Year (POTY) competition though, Grant blowing away the field with a huge footy multi at the week 36 mark where he collected over \$600 for the group.

This surged him past the entire field, and Copy That Condo – who had led for much of the season after an early punting thunder strike of \$250 in week 5 – was now in the chasers seat and having to dig deep to get back into contention.

These would remain the largest collects of the season, with eventual runner up Saving Private nabbing a \$195 collect along the way.

In the team's section of the POTY, it was a quinella for the King browns with Grant and Ryan scooting a fir distance from the field. It would not be enough though to grab the King browns bragging rights though.

The Shooters, enduring a difficult season for much of it, found a ray of sunshine in the gloom to be the best punting group. They had 5 punters in the top dozen or so, with Comelateronstie & Here Early Harry grabbing winners in the blackout month of May.

The Wranglers were poor on the punt for BTB18 and never really troubled the scorers that often or by that much. The Crocs battled well, Cattledogs were fair to middling, while the King Browns can thank their lucky stars as a whole that Frogman & Saving Private did so well across the year.

All in all though – Grant was the standout – nabbed his first ever pillar trophy and goes down in the record books as a punter of the Year legend. Something tells me it won't be his last major. Well done, great stuff!

KING BROWNS DALEY MARTIN STABLE OF THE YEAR!!

It only takes one Herculean effort to lift an entire team to great things, and that is exactly what happened for the Daley Martin King Browns Stable in BTB18.

Punter of the Year #92 Frogman Grant smashed up the field in the individual event, those points carrying over into his team event as well.

Mustard Keen Matt backed him up pretty solidly, just about even on the season, but from there it was a tale of punting woe.

Trendsetter Todd goes large or goes home with his bets - a former POTY champion himself - but he went home this year past.

Manscaper Nads couldn't find a winner in a shop full of losers, while Airwyn Jordie had more strike outs than a blind baseball team.

Didn't matter though. Frogman lifted all onto his back and carried them all to victory. Well done!

THE WAITERS VESTS... Were worn by the Wranglers Winx Stable. First in BTB17, last in BTB18. They should be swabbed. In short, it was an awful team effort on the punt. There best punter was a -75. Say no more!

STEFARNWOLF AWARD - TRENDSETTER TODD!

The Stefarnwolf Award goes to the tourist voted best company on tour. It is voted on by all tourists after the event and in BTB18 it was none other than #79 Trendsetter Todd who garnered most picks as the bloke you loved being around on the recent Adelaide Tour.

Whether he was regaling people with funny stories of his 3-minute tenure as a CattleDog or declaring himself a certainty in the Mum's Bum Cup, Todd was a guy who made the tour that little bit more fun whenever he was nearby. Great work Trendsetter - thoroughly deserved!

There were many nominations and votes - almost all scoring the nod from another tourist - but in the end our man to be on board with was decided. A popular selection no doubt.

BTB18 TATTOO TROPHY EVENT CHAMPIONS...

WATERTANK MATT - BTB18 TATTOO TROPHY CHAMPION!!!

Going into the final event of the season – the USPGA Golf Major – scores were behind closed doors. It would all come down to who selected best in this contest. Tango Tom ended up winning the USPGA – well done – but it would be Tankryder Jase flying home after a great tournament. Watertank Matt also scored well. Smittywyn, on the other hand, had little luck when it mattered most. Near the lead the entire year, all he could do was watch fellow Wrangler Matt sail away. Bigwyn Neil & Strength & Johner had great seasons for the Crocs. Wranglers and King browns dominated however, with 8 of the top 10 finishers in one of those teams. Watertank excelled in the SuperCoach Big Bash contest. Grabbing gold points there, he snavelled a silver points finish in the NRL SuperCoach too. A great fantasy season in the aptly named Tattoo (Fantasy Island) Trophy! Teams wise & the Wranglers & Crocs cleared out from the field. It was a season of rocks or diamonds for the King Browns – 3 in the top 10 & 5 in the bottom 10!

BIG MARN OF THE YEAR - CRAIG'S CARNIVAL...

For our Clubman of the Year award in BTB18, the team captains got together & ambushed #1 Craig's Carnival by cajoling the BTB Group to announce him as Big Marn of the Year.

It was a touching sentiment and after trying hard to get out of it for the season, Carnival relented, presented with a signed scroll from every member of the BTB18 Touring Group.

It was a little overwhelming for Carnival, but the thought and effort put into it by #10 Mickaby McKenna & the other skippers was reluctantly but happily in the end accepted by the topweight badge holder on tour. Thank you.

There were no shortage of nominees though. #78 Ontrend Wes and #90 Tankryder Jase continually sponsor the tour and are very much appreciated by Carnival and all others involved with the Be The Ball.

Roger That Diva spends much of his own time helping to organise the tour and as part of the BTB Golf Committee he is instrumental in all golf aspects of the tour.

Barnesy's Boy Dave has been touring for over a decade and a half, taking over the Minister for Photography duties these past seasons. Without him we would not have the history in photos and videos that we do.

There are others too that put in time, effort and money into what the BTB Tour is today.

A huge and massive 'thank you' goes out to all who selflessly contribute to make the BTB the special thing that it is. It cannot be explained to strangers easily, but it is more than just playing comps, going away and bantering along the way. Those inside BTB walls realise this.

With so many good, decent men involved, it isn't hard to see why the Be The Ball Tour just keeps on keeping on. Thank you all!

BTB GRAND SLAM CHAMPIONS

With Craig's Carnival gaining the BMOY award, it also opened the door for him to enter the most exclusive group on the tour – the Grand Slam Champions.

Carnival joins #38 Roger That Diva & #47 Rhinestone Graham as the only 3 men in the history of the Be The Ball Tour to win all 4 'Majors'. The Mum's Bum Cup, Big Basket Bet, Punter of the Year & Big Marn of the Year.

There are a few waiting on the doorstep. Who will be the next one to walk through the Grand Slam door?

HERE EARLY HARRY – ROOKIE OF THE YEAR!

With only 2 rookies involved in BTB18, #106 Here Early Harry gets his first champion board inclusion by taking out Rookie of the Year honours.

With 293 MVP points he outlasted fellow rookie #107 Airwyn Jordie on 238 points.

Well done to both lads – hope you enjoyed yourselves – and hopefully we'll see you both on many more tours to come!
