## BTB SEASON 18 – HAPPY GILMORE TOUR – JACKASS!

The Be The Ball Tour is heading back to Adelaide for the second time, for our 18<sup>th</sup> touring season. Last there in BTB11, Crouching Glyn took out the Mum's Bum Cup and promptly retired from the tour! It will be Manscaper Nads donning the green jacket there this time around, trying to be the first back-to-back champion ever.

BTB11 was remembered for many things. Great accommodation, excellent social offerings and easy to get around access. But above all things, our original BTB Tour to Adelaide will be remembered as the 'Hand of Don' Tour.

In a turn of events that have gone down in the BTB history books, Manscaper Nads drove a par 4 dogleg hole. As he and his group searched for his ball, they were exhilarated to find the ball in the hole. A hole in one on a par 4 – what an achievement! Or was it...

Some sinister men, as the celebrations peaked on the green, stood afar, watching the dancing and backslapping, with smiles of their own spread across their faces. For they knew the truth, because they had manipulated proceedings to lead exactly to this spot. There was no hole in one...

For the full story, you will need to refer to the historic podcasts of the BTB Tour. These being released in the 20th Anniversary season. For now, all eyes will be on the defending MBC champion – Manscaper Nads – and how he deals with the trauma attached to Adelaide. And be very wary of a man named Strength & Johner – otherwise known as 'The Puppeteer'. Do not be in the group behind his!

Known as the 'Malls Balls' Tour for records purposes, BTB18 promises as always to be a wonderful golfing weekend away amongst friends. I have no doubt we will be reminiscing on the above – stories bound to be wilder than ever, as well as creating our very own new history.

Robbo's Pocket Rocket, Manscaper Nads & Mustard Keen Matt all celebrate their 15th Tours. Wonderful achievement Gents. Sideshow Sam marks his 10<sup>th</sup> Anniversary. Already a team skipper too! And General Buckleys, Highwire Will, Tankryder Jase & Major Mortar all salute 5 years of touring together. We, together, make the fun. And BTB18 looks forward to hosting us all for another rip snorting time together!

Enjoy the tour lads – can't wait to see you all. Remember to Be the Ball! ~ **Carnival**
