BTB12	47	RHINESTONE GRAHAM	3,163	11

*Divastating Dave holds the record for most points in a season @ 3,295. He set this in BTB11.

*The first 2 seasons had a multiplier effect hence the massive scores. The format was changed to the current format from BTB3 onwards.

*Craig's Carnival is the only player to have won the BBB Championship twice. He is also the only back to back champion.

*Craig's Carnival also holds the widest winning margin record.

*Apart from BTB4 (where Augusta Meerkat won in the 5th last race of the season courtesy of a 120-1 pop at double points!) it was around BTB9 where the standard really lifted & to win you need to be over 3,000 points (or 62.5pts per week).

*Offsider Andrew is the only player to have used the same number all season to win the BBB – he had #6 in all races for that year. It was however the second lowest winning score of all time.

*Craigsy 80s Dude lost by the smallest margin ever – a measly 11 points behind Rhinestone Graham in BTB12. So close!

*The highest weekly score by any BTB Player in any given week is Augusta Meerkat who scored 301 points in week 48 of BTB4. It won him the title!

*He is the only player in the history of the BTB to pass the magical 300 mark for one week of tipping.

*The lowest highest scoring week over the course of the BTB Tour is Comelateronstie who managed 170.2 points in BTB5.

*The only players to record the highest single week of a season and go on to win the overall BBB title, were Offsider Andrew in BTB3 & Augusta Meerkat in BTB4.

*Manscaper Nads has posted the highest weekly score of a season twice (BTB9 & BTB11) but has yet to convert those big weeks into a title.

*There appears to be no rhyme or reason as to when the big weeks will strike during a season. If anything, week 31 (2) seems to be the lucky week for big scores. Weeks 40-48 has most big scores (3).
