WEEKLY BRAG RIGHTS... Going into the week, Benzabear was under enormous pressure to hold his spot in 8th overall. Roger That Diva was breathing down his neck, just a couple of points off in 9th. What did Benza the defending BBB champion do? What all good champions do, performed mightily! He won the week just from Carnival & Mustard.

MONTHLY MEDAL.... Highwire Will didn't have his greatest week but he his body of work over April was more than enough to cling on & grab the Monthly Medal from Carnival. Nice work Will! Mustard was again close up in 3rd.

YEARLY RACE... The red ink has risen, the Top 8 is set as we go behind closed doors in Magic May. Benzabear cemented his spot. Wyn Daniel Son makes his top 8 debut after a great season. The unkindest cut saw Roger, Tankryder, Mickaby, Cambo, Robbo & Frogman all just fail after excellent seasons. Joshin leads with 5 weeks to go!

Saving Private went nuts this time last year, becoming our MVP off the back of the bet. He collected on the weekend in Hollywood style, could he be our POTY champion yet?

Nicaby's Tigers got the gasp result, one to twelve was his successful collect. As he & Ryan punt again next week, all other eyes turn to the dreaded waiters' vests!

HOW ARE MVP POINTS SCORED?

The Most Valuable Player (MVP) scoring consists all points earned across ALL competitions throughout the BTB season. This includes ALL Club Champion events (BBB, POTY, BMOY, MBC, DALLYM & STABLE WARS) PLUS ALL Tattoo Trophy events played through a season.

Tattoo Trophy points are scored by number of players taking part and ultimate finish in that event. *Example...* There are 36 players in NRL Tipping. You finish first you get 36 points, second 35pts, third 34pts right down to last getting 1pt. In short, the more comps you go in, the more points you get, the more chance you have of being crowned MVP for that season!

THE CLUB CHAMPION event has been around since the first tour to Nelson Bay in BTB1. To become the Club Champion of the year, it is whoever accumulates the greatest number of points primarily over our foundation or pillar events.

They're all Group 1 (3x Multiplier) & Group 2 events (2 x Multiplier).

Mum's Bum Cup, Big Basket Bet (BBBs) Tipping, Punter of the Year (POTY), Big Marn of the Year (BMOY) are Group 1. The DallyMs & Stable Wars are all Group 2.

Note that... Early in a new season the scores will be the same for MVP & Club Champion, until the Tattoo Trophy events are commenced.

MICKABY MAKES AUTUMN SHINE!

Mickaby McKenna – from pillar to post – has taken out the Autumn Champion Tipster in style for BTB17. He gains maximum points in the Tattoo Trophy, surging into the top 10 overall, with the lottery USPGA major to come. The Crocs went top 3 with Strength & Johner now 10th overall & Wyn Daniel Son moving up too.

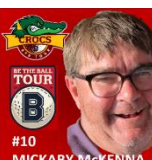

CARNIVAL ROLLS ON & OUT...

Craig's Carnival had a solid last week of the ACT contest to now move out to a nice lead with one more Tattoo Trophy event to come. His closest contender, Roger That Diva, had to scout wide to help himself in the BBBs too, but couldn't find the luck or combinations to make a charge late. Results go dark until tour time now.

WHAT IS THE TATTOO TROPHY?

The Tattoo Trophy (TT) is an annual group of external contests (some hosted outside the tour but competed for by players within the tour). It is an individual event, where points accumulated for where you finish in each comp throughout the season, decide the eventual TT champion. You win cash prizes for winning individual TT events as well as accrue points towards your Try Harder Cup team result. *See website. *Tattoo Trophy named because it's fantasy & tipping based comps – Fantasy Island – Tattoo the little guy... (de plane, de plane!).*

THE TRY HARDER CUP (THC) IS...

Our BTB version of the Ryder Cup teams event. It started out as the teams' event for the MBC tour itself, but over the years has evolved to include all Tattoo Trophy(TT) events too. The main difference is that the TT is given for the winner of all fantasy/tipping contests. The THC INCLUDES points for the MBC, BBBs, POTY & all other BTB contests. The winning THC team celebrates on our final night of the tour by sitting at the Champion's Table. Every member of the losing teams has to throw in \$20 each to pay for the champion's team meal. It's a little bit of cash pain mixed in with zero bragging rights for those losing teams! To the winners go the spoils...

MICKABY LEADS FROM JUMP TO FINISHING POST!

Week 4 was the last weekend of the BTB17 Autumn Champion Tipster contest, with Mickaby leading from barrier to box to take out the title. Well played Mick – nice win. In fact, pretty much all 3 Crocs who ran the trifecta in this event, were same for most of the tournament. Nice lads!

Race 1... Not much doing here with rough result all round.

Race 2... Very similar as race one. Big field roughies dominate.

Race 3... Warwick Farm Fella found the quinella. That's it! (28pts)

Race 4... Nothing. Turning into a very tough day for everyone..

Race 5... Craigsy only multiple achiever up to Exacta. (35pts)

Race 6... Carnival wins the day on this one race W Q & Exacta. (152pts)

Race 7... Mustard Keen Matt manages the Q&E. (32pts)

Race 8... The Farm Fella finds another quinella & exacta. (86pts)

Race 9... Diva Dave/Ballroom/Condo & Watertank get to Q. (21pts)

Race 10... Condo & Ballroom Ben get to Q again. Nice finish (16pts)

Carnival wins the day, on a tough one overall, with big fields, rough results and many tipsters scouting wide to try and find the winning formula to make a run at the title. Warwick Farm Fella silver points & Mustard Keen Matt third in a head bobber.

Great comp for the Crocs, all 3 placegetters show a return to form for the historic team. They'll no doubt be poshing hard as a unit to build on this with just the one Tattoo Trophy event left for the season – the USPGA major in May. Teams wise, the Wranglers pipped the Crocs.

DOOKS THE MASTER!

BTB17 rookie Dookshro Daniel has his name on a perpetual trophy board that will now ensure he is remembered in the history of the tour forever. And every time The Masters plays out, in the life of the BTB, Dookshro will be etched into our history of such a great event.

He did it in style too! Every one of his picks saluted. Rory won in one of the great golfing tournaments ever.

Bryson DeChambeau looked the winner at various times before finishing top 5, while Ludvig Aberg lost concentration late but still managed a 7th placing.

Super stuff that Dookshro!

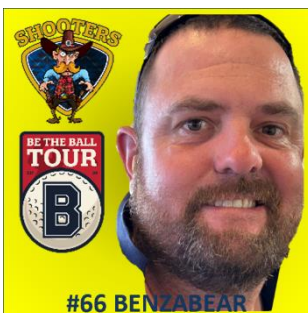

Roger That Diva & Joshaby Next filled the minors. They held off a tight pack of chasers, in a seriously competitive TT event.

NADS SMASHES THE BASH!

The final round of the Tattoo Trophy Big Bash tournament saw Manscaper Nads leading from a wall of chasers. After a similar scenario heading into the final weeks of the Tattoo Trophy NRL Supercoach contest earlier in the season, all eyes were on whether the big man would wither or hang on for victory after leading for much of the contest.

In the end it was a no contest, as not only did Manscaper Nads hang on, teams, burst away to win comfortably and smash the field into oblivion. One masterstroke in particular – bringing in the until now misfiring Jake Fraser-McGurk as a captaincy option – saw Nads soar into the top 400 players overall in this 51,000+ strong field. Super effort Nadsy. Well played mate!

The minor placings changed up a lot though, with the Sydney smash between the Sixers and Thunder a wash out. If you were stuck with too many players from these teams, you were basically rendered useless with the last 3 games to be played in fine conditions.

Robbo's Pocket Rocket continued his BTB renaissance in BTB17 by sliding up to second spot. Benzabear held onto third spot, continuing his impressive performance for the Shooters as a high draft pick. Well done lads on a terrific Bash season.

From there 4th down it was a dogfight. In the end though, the Wranglers best as a team. They filled 5 of the top 9 positions to good points to the THC premiership.

LEBA LOBS LATE, AS HE DOES!

Cattledogs Captain Lonhro Leba has lobbed late once again this BTB17 season, to snatch away the Cup Day Tattoo Trophy competition. He swooped in the last round of the NRL Tipping contest and once again timed his run to perfection to explode down the outside to claim the event. Great stuff!

Roger That Diva (3rd for the day) picked a 100-1 shot in race 5 by the name of Garachico to surge to a nice lead halfway through the day (as did General Buckleys who had the same winner courtesy of his number 6 play). It looked like it would be enough on a rough day where the Cup winner Knight's Choice, who was 100-1 also in some quarters, making it difficult to for all tipsters to get on the front foot.

In the end though, it was the last race where Lonhro Leba and Craig's Carnival (2nd) made their runs together.

As Bel Air (coincidentally where we stayed on the Gold Coast in BTB16) led them past the post at 12-1 Leba & Carnival had the winner, quinella and exacta. All eyes were on the third placing.

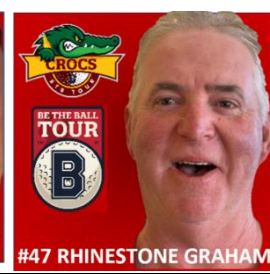

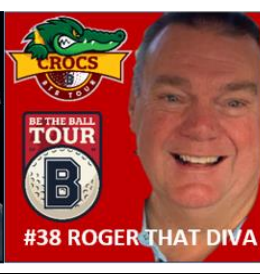

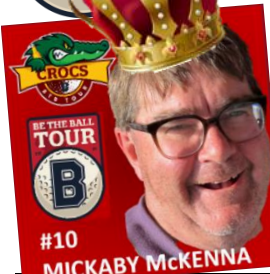

Perhaps fittingly for a huge Melbourne based day, it was Lonhro Leba who correctly selected the horse Warnie to spin into third. With the trifecta under his belt, Leba's 400+ points haul easily secured him the mantle of champion. Super effort to Lonhro the swooper!

BTB17 TATTOO TROPHY – SCT MELBOURNE

CROC KING SPRING CHAMPION TIP - MELBOURNE!

The Spring Champion Tipster for the Melbourne Spring Carnival has been run and done with the victor emerging in the maroon and gold colours of the Crocs. It was Captain Croc himself the leader and champion after a final week that couldn't yield one trifecta over the entire day.

Mickaby hung on that last week to edge out Joshin Da Sergeant, continuing his huge season for the Wranglers.

The Croc-a-thon was complete when Roger That Diva and Rhinestone Graham filled the minor placings. Well done to all – it was a championship battle right until the end!

Gold Digger Gavaby was best in week 4. An exacta ceiling in race 2 gave him around 70 points, with only he and season surprise packet Ontrend Wes nabbing the largest collect of the day. Wes finishing 2nd for the week.

Wyn Daniel Son had 3 exacta collecting races, but they were all pretty short in price. Great work to finish off in bronze. Lots of small quinellas and exacts, no trifectas, was the order of the day for many as faves sucked out any value in the pays.

All honours to Mickaby though – our latest champion to etch his name onto the Tattoo Trophy Spring Champion legends board!

SPRING CHAMPION TIPSTER – SYDNEY... BENZABEAR SEES IT OUT AS CHAMPION!

He left his worst week until last, but Benzabear had done earlier in the month to become the BTB17 Spring Champion Tipster Champion –SYD. Well done mate – great win!

Mickaby had a great final week to surge into the runner up spot. He streeted the field in week 4. Nice. Ontrend Wes had one of his best comps ever to grab 3rd spot overall. He is having his breakout season number is Chuck!

Jonoby Stiffler also had a top week and grabbed 2nd spot for the week. Top stuff. Smittywyn showed he is a force for the future with a 3rd spot for the week for the rookie.

Not a huge number of highlights for the week. It was a tough tipping week with lots of big fields and rough results. Race 1 of the day was the decider when Mickaby got the Win, Quinella & Exacta to snare 120pts. Nobody could match that right through the program.

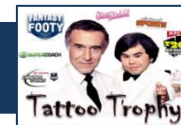

There were no Trifecta's for the day & only 6 Exacta collects. None of any immense value. That shows just how tough the day was. Wranglers were best team overall.

All honours to Benzabear though – another champion board with his name & number on it. The collection is growing!

MAJOR PROPHET SEES BEST!

BTB17 has a new champion, and he is a Major Prophet with crystal balls that hang to the floor as far as the NRL is concerned!

Great stuff and well done to Major Mortar who has forever etched his name into the BTB record books with this victory.

It all came down to the winner of the Grand Final of course. Manscaper Nads was whipping his Storm boys home. About a dozen others were all looking for the Panthers to go 4 in a row and create rare history.

As it was, the game was a tough affair with the ball in play for long stretches. Fatigue & no big Nelson to create chaos in the middle meant the Panthers were able to eventually grind the southerners down.

With so many tipping the Panthers and Nads now being overtaken, it came down to the Clive Churchill best on ground medal recipient. Many believed Isaah Yeo would prevail. If he had of Trendsetter Todd would have tied Major Mortar up top. That would mean Todd went back to back – tied both years – as the NRL Prophet Legend.

In the end that fireball of fury Liam Martin rumbled his way to the medal. Nobody picked him, so Major Mortar grabbed the glory, the prizemoney & team points for the Shooters.

Metro Mat wasn't far behind in second. Mustard Keen Matt in 4th meant that the King Browns were well represented & top team.

Highwire Will had a great 3rd – his former teammate Paul Alamotti capping a great game for both he and Will to end the season with.

LEBA LOBS LATE!

Just like the NRL season in general, it was at times chaotic, at times easy, and at times difficult. But it was never not entertaining!

With the final round to tip, Fashionista Greenie and Barnesy's Boy Dave (trying to defend his title) were tied in the lead.

Alas, a topsy turvy round saw these two tip just the 3 winners. That was about par score comp wide.

Leba threw caution to the wind – or tipped like a genius- to pick 6 of the 8 winners, go past the leaders and lob for a legendary win.

Team wise, the Wranglers did best together just in front of the King Browns & Crocs. It is a Cattledog champion though – well done Leba!

BALLROOM BOOM!

What a surge late by Ballroom Ben! Manscaper Nads was doing so well from the start of the season until the last couple of weeks – so well in fact he was challenging for the overall title (150,000+ players) for many weekends.

Alas, Nads either ran out of trades or out of luck – or perhaps both – with Ballroom Ben finishing like a freight train to grab victory in the shadows of the post. Super effort & win Benny!

In the teams, the Wranglers did best along with the King Browns.

LAST RACE LEBA CHAMP!

The Melbourne Cup Day Tattoo Trophy contest saw Lonhro Leba wait until the last race before producing a withering burst to grab maximum points across the win, quinella, exacta & trifecta pools. His 400+ point haul easily best for the day.

Craig's Carnival, who was similar in the last race except for that all important trifecta, finishing second on the day.

Roger That Diva 3rd off a 100-1 shot in the 5th looked likely right up until the final race.

WILL WINS CUP!

Highwire Will has taken out the Cup Day Tattoo Trophy tipping contest after a super start where he tipped winners, quinellas and exacts in 2 of the opening 5 races. That makes it back-to-back Cup Day wins for Will too. Not bad at all!

The teams saw the Wranglers run hot. The Cattedogs were also very strong across the board. Crocs slow...

BIG BASH CARNIVAL!

Craig's Carnival has taken out Big Bash Supercoach for BTB16 after a post-to-post effort over the season.

Mustard Keen Matt along with Strength & Johner got close at times, but in the end just missed out.

Teams wise, Crocs dominated proceedings.
