

BB THE CHAMPIONS...

DONSIDE SIR was our inaugural champion in the very first Barry Badman NRL tipping championship in 2023.

His season took off when he picked a full round – using his final Joker for the season . From that point on he could not be caught as he flew home to win the foundation title impressively.

THE KATHTRONAUTS won the second edition of the Barry Badman NRL tipping with a daring strategy of choosing all the roughies, every round.

A white-knuckle ride, she held the lead going into the finals, changing up her strategy nicely. Glory awaited as she took the title...just!

HIA stormed home to take out season three of the Barry Badman.

In our inaugural season of splitting our finals into three grades – 1st Grade Heavyweight Championship, Reggies Reserve Grade, and Park Footy Plate, HIA did best once he made that all important top 8.
