

BTB SMALL TOURS

A brief Be The Ball Tour History

The Be The Ball (BTB) Tour was born in 2009 when sixteen intrepid brothers and mates set out on a golfing adventure over a long weekend in June.

Nelson Bay was the destination for that very first tour. Over the next two decades the group grew from sixteen to a capped travelling party of forty-eight.

Destinations for their annual pilgrimage included cities and coastal tourist areas such as Cairns in Far North Queensland, through Sunshine Coast, Brisbane, Gold Coast, Sydney, Melbourne and Adelaide. Many spots re-visited over the course of the Be The Ball Tour history.

As a consequence, certain venues and towns were ruled out as a possible touring centre for such a large group.

However, there are many magnificent regions, towns and golf courses throughout Australia that our 'Be The Ballers' wished to visit and play.

Hence, in 2026, 'BTB Small Tours' were born.

What 'BTB Small Tours' is all about

BTB Small Tours is all about a calendar of places offered to BTB Members, their family and friends for smaller touring groups keen to test themselves against some of the best golf courses and prettiest regions Australia has to offer.

Hosted by one of the founding members of the Be The Ball Tour (Craig's Carnival), these trips usually incorporate two days of golf and perhaps a rest day in between, depending on the schedule.

Spouses and families are welcome to travel as well, but it must be remembered that these small tours are all about the golf.

A usual itinerary would include golf, accommodation, restaurants and associated activities that could also include wine tastings, beach visits, theme parks and so on.

Held throughout the year, they are also seasonal. Smaller groups, short stays and great golfing company!
